Apple Tree

Description

Add leaves and apples to the branches of a tree.

Competencies

- Development of fine motor skills
- Organization and planning

Materials

- Templates: tree, leaves, and apples
- White or coloured paper (red and green)
- Glue
- Scissors (adult use only)
- Optional: Crayons

Preparation

- Print out the various templates using green paper for the leaves and red paper for the apples
- Alternatively, print the templates on white paper and allow participants to colour the objects
- Cut out the leaves and apples before the program or allow caregivers to cut out the shapes for participants
- Prepare the room for a program that uses glue

Implementation

1. Provide each participant with a tree template, leaves (at least 20 is recommended), apples (at least 5 is recommended), and glue
2. Participants add the leaves and apples to the tree template
3. Optional: provide crayons for participants to add more colour to their craft
