

Long Activity
Ages 6–8
40 minutes

Outdoor Art

Description

Use materials that you find outside to make an image on the ground.

Competencies

- Creative and imaginative thinking
- Appreciation of nature
- Planning skills
- Creative expression
- Spatial relationships

Materials

- Twigs, sticks, leaves, rocks, grass, and other natural world material that you can collect outside
- Optional: small baskets for collecting material

Implementation

1. Go for a walk outside where participants can safely gather twigs, sticks, leaves, rocks, grass, etc.
2. Working individually or in small groups, participants work to create an outdoor art picture on the ground
