## Comic Templates

---

### Description

Use your creativity to fill in text into comic book templates.

### Competencies

- Creative and imaginative thinking
- Planning skills
- Written communication skills
- Creative expression

### Materials

- Pencils
- Erasers
- Comic book templates
- Optional: pencil crayons (if participants want to colour the templates)
- Optional: correction tape or fluid (if creating your own templates)

### Preparation

- Print out the comic book templates
- Optional: prepare your own template by photocopying a page from a comic book, covering the text in all the speech bubbles with correction tape or fluid, and photocopying again

## **Implementation**

1. Distribute comic book templates to participants to complete
2. Optional: as a group, read the TD Summer Reading Club feature comic available on the website starting in June 2019; alternatively, encourage children to read the comic on their own
