

POST-IT COMICS

Theme: Hide-and-Seek

Create your own Post-it comic. Feel free to use your character from the Create Your Own Character worksheet or create something new.

Plan all of your panels out before drawing. Questions to think about:

Who: Who or what is hiding?

Where: Where are they hiding? (Ideas for places to hide: rock, tree, house, building, under a table, under a window, box, behind a pet, under the bed, etc.)

What: What is happening in these panels?
